

## The Reflector.

Official Paper of County and City.

THURSDAY, MAY 24, 1888.

The brick works southeast of the city are looking up.

The finishing touches were added to the new jail yesterday—the last Naills.

The Clay Center high school talks of holding its commencement exercises in the public park sometime in June.

Fourth of July is being prepared for. The Board of Trade committee and the firemen's committees are hard at work.

We are frequently in receipt of articles unaccompanied by the writers' real names. We cannot use such. We must know the writers for our own protection.

J. R. Wilson, the wide-awake, rustling representative of the Denver Press, arrived on the noon train and will spend a few days shaking hands with his many friends here.

James Woods, one of the men who were arrested some time ago and fined \$25 and costs by the P. J., made up his mind to change boarding houses and, accordingly, took the first opportunity to leave. He was last seen going up Cedar street at a 3:40 gait Saturday afternoon.

Otto Kuethe and Martha Kandt were married last Thursday at the home of the bride's parents in Union township. The young people are well-known and much admired in so th Dickinson. The bride is the daughter of Henry Kandt, one of the county commissioners. We extend to the happy couple our congratulations.

The marriage license business is booming. The following were issued by Judge Seeds last Saturday: W. J. McPhie, Kansas City, and Alice M. Allison, Herington. Wm. A. Bushong and Ella Wright, both of Herington.

In the case of the estate of Reubin McClure, Rosa A. McClure was appointed administratrix.

The south-side scappers returned from their fishing expedition Friday. The marshal's memory was painfully good and they were led before "hizzoner." George Potter pleaded guilty and was assessed \$12.75. Thomas Carlton also pleaded guilty. Sentence was suspended until this morning, when he was mulcted \$25 and 15 days to play checkers in Sheriff Naill's fashionable boarding house.

Thanks for Courtesies Received. The Abilene Gazette band wishes to extend to the members of the Salina band its earnest thanks for the royal entertainment and many enjoyable courtesies received at their hands on Saturday last.

C. B. McELHANY, Manager.

Educational Excursion to San Francisco. Kansas had a larger enrollment at the Chicago meeting of the National Educational Association than had any other State in proportion to the number of teachers in the State. Even Illinois was beaten on her own ground. Prof. J. N. Wilkinson, of the state normal school, Emporia, says the prospect is good that we shall take the lead in the San Francisco meeting next July. He is working up the Kansas excursion and every one who sees a chance of going, whether a teacher or not, should write him, to learn rates and attractions and then go if possible, and thus help swell the boom.—[State Journal.]

A FRAGRANT OUTFIT. An Organized Band of Robbers Existing in Northeast Dickinson.

Farmers and others living near Sutherland's Mills in Northeast Dickinson have been for one or two years missing articles from their farmyards. Recently they have traced the stolen goods to certain quarters and have caused the arrest of the suspected individual. The arrest of one led to the apprehension of others until five precious scamps have been collected. Every indication points to the fact that they have carried on an organized robbery system for a long time. Goods that have been missed for months and years have been found upon their farms.

The suspected parties have been in jail here for two weeks. Thursday they had their preliminary examination before Judge Quinn.

The names of the accused parties are: Hiram Johnson, Isaiah Johnson, Martin Thomas, Henry Kreinhop. The charge was burglary and grand larceny. They were bound over to the District court in the sum of \$500 each. None of them giving bond all were committed to the county jail.

William Wills charged in same complaint was discharged and immediately re-arrested on another similar charge. Wills waived examination and was bound over to appear at District court in the sum of \$500.

More Fragrance. John Bell, one of the Fragrant Hill parties accused of stealing grain and farm implements from the farmers of Northeast Dickinson and who was committed to jail, Friday furnished the required bond, \$500, and was released on bail, until necessary for him to appear at the coming term of the District court.

## OBITUARY.

### Death of Mary Markley Knight at Denver, Colorado.

There was received, by Friday's flyer, the remains of a former resident of this vicinity, Mrs. Mary Knight nee Markley. The deceased was a daughter of A. J. Markley, living south of the city. Some seven or eight years ago she married Mr. Knight and they resided for a time in Enterprise. Last fall they removed to Denver, Col.

She has been failing for several months and on Wednesday, at her home, 633 Santa Fe avenue, Denver, passed quietly and peacefully away, another victim of "consumption's awful form." She was aged 27 years 5 months and 18 days. She leaves motherless three children, a boy of 7 years, a girl of five and a babe seven weeks old.

The funeral services were held in the afternoon at the home of her father, and the interment was in the Farmington cemetery. Rev. John Humbarger officiated.

The bereaved husband accompanied the remains of his wife to this city. This is the second death in the Markley family within a few months and they have the earnest sympathy of their numerous friends.

## THE TRAVELING MEN.

Salina Handsomely Entertains Her Guests. A Delightful Banquet in the Evening.

Those who were fortunate enough to attend the T. P. A. meeting in Salina Saturday enjoyed a treat not often to be experienced. The guests were treated in the hospitable manner for which Salina is noted and made to feel that every moment was a delight and a pleasure.

The program of the day included the reception of visitors at the trains, the formation of a procession, march to Oak Dale park, a feast there in which were set before the visitors every dainty viand that man could wish for, a carriage ride around Salina's beautiful streets, and a magnificent banquet in the opera house in the evening.

The business meeting of the association met during the day and beside routine business decided to change the name of the organization to the "Kansas Travelers' Association." The following officers were elected: President, J. A. Kimball; vice-president, G. K. Evans; secretary, R. J. Haus; treasurer, H. Devlin.

The banquet in the evening was the crowning feature of the enjoyable day. From nine o'clock till midnight, between four and five hundred guests sat at the tables which were fairly loaded down with delectables, and after doing the bounties justice listened to the flood of oratory, wit and music which were furnished by the various entertainers present. The toast responses, of which the list is too long to give here, were pointed and humorous and elicited rounds of applause. As usual, Abilene came to the fore and by the response of Hon. W. S. Stambaugh, who spoke on "Our sweethearts and our wives—health to the fairest," carried off the palm of the evening.

Mr. Stambaugh fairly outdid himself on this occasion and won more honors to add to his already overflowing store.

After adjournment, the Abilene party accompanied by the Gazette band which had been among the honored guests of Salina all day, returned home by the special Rock Island train. Upon their arrival in this city on motion of Dr. J. M. Hodge, a vote of thanks was heartily given for the royal reception by Salina's board of trade and public spirited citizens.

Our sister city's hospitality will long be remembered. Abilene is only anxious for an opportunity to reciprocate it.

THE CHILD RECOVERED.—My little girl, aged seven years, was afflicted with a severe cough and cold. She could not sleep but coughed almost incessantly. I was induced by a friend to try Chamberlain's Cough Remedy and was astonished at the immediate relief it gave her and the cure it produced. I would not be without it in the house for any price. I have tried many remedies for coughs and colds, but this is superior to anything I have ever tried. Prof. J. M. Mehan, Capital City Commercial College, Des Moines, Iowa. Sold by BARNES & NORTHCRAFT.

In Brief, and to the Point. Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

A Remarkable Showing for B. B. B. Against Other Remedies.

PUNAM CO., April 29, 1887. I have been suffering for most thirty years with an itching and burning all over my face and body. I took eighteen bottles of one brand medicine and it did me no good. I commenced last January to use B. B. B., and after using five bottles I felt better and sooner than I have in thirty years. My health is better and I weigh more than I ever did. The itching has nearly ceased, and I am confident that a few more bottles of B. B. B. will cure me entirely. I am sixty-two years old and can now do a good day's work in my field. I consider it the best medicine I have ever seen, for it certainly did me more good than all the medicine I have ever taken. I have a hundred ridges on my face, neck and body. JAMES FINKERTON.
